The 3,2 hectare (7,9 acre) campsite lies in the shade of a pinewood, approximately 400 metres walk from the long, white, sandy beach and sailing and surfing school.

On the campsite you will find a reception area, well cared clean toilet and shower facilities with free hot water, a relaxing area with hammocks and a children's playground. There is also a really cosy terrace with a bar, where a disco, life performances and other activities are organized a couple of times a week.

Campsite Santa Lucia is especially suitable for sporty people who like to take part in watersports such as sailing, catamaransailing, surfing and mountainbiking. If you prefer to relax and just enjoy the nature, the beautiful white sandy beach and the azur blue sea then you are, of course, more than welcome.

The 2-person bungalow tents, with mattress and mattress cover, stand ready on the 7 acre campsite.

A separate area has been set aside for the furnished comfort tents (surcharge 10 - 20 Euro/ day payable on arrival).

For a nominal charge you can make use of the tennis court, washing machines and Internet.
